

Newsletter of the Falcons Football Organization

Coach's Comments:

The coaching staff has been hard at work preparing for the 2008 season. We've met every Sunday in April to work on our new scouting software program and to get everything in order for the next several weeks. Our staff also has conducted "Sunday Night Chalk Talks" for our three feeder programs (East Hanover Soldiers, Hummelstown Bulldogs, and South Hanover Knights). The youth coaches seemed very pleased and each team was given a drill manual to assist in their creation of practice schedules and scripts.

Mini-camp is less than a month away and the school year will be ending soon. The seniors will continue the tradition and go to the cabin on May 17. While there we will meet and develop a list of goals that we would like to accomplish this season. Another major priority for this meeting will be to establish ways in which we can fulfill our theme of "No Weak Links."

Brochures for various summer football camps are available in the weight room. Paperwork for *Lauren's First & Goal* will be made available to all players during the first week of April. The cost of the camp is \$25 and it will be held on Sunday, June 1. This is a one-day camp hosted by John Loose, Defensive Coordinator at Lafayette College. Coach Loose's daughter, Lauren, suffers from a brain tumor disorder and all of the proceeds go to her foundation for research. Numerous coaches from Division I, II, and III programs will be present. We will be taking a bus and the booster club will be providing lunch. We attended last year and had a great day! If players are interested in going they should give the registration forms and money to Coach Klock so it can be sent to Coach Loose all at one time.

The schedule for this summer is being finalized and will be distributed to all players and parents at the May 6th Informational Meeting (6:00 – High School Cafeteria). This meeting is for all 2008 Varsity, Junior Varsity, 9th Grade, and 7th & 8th Grade players. The May booster club meeting will follow at 7:00. Please come and support all the activities that the booster club provides for our team at every level.

As promised, here is the list of seniors and what their future plans are for next year:

Alex Answine	Franklin & Marshall
Carl Bashore	Workforce
Chris Bazewicz	Franklin & Marshall
